

Electronic Payments CAPITAL

IN PARTNERSHIP WITH  **YOU LEND**

ELEVATE YOUR BUSINESS WITH QUICK & EASY MERCHANT FINANCING!

Make your business goals a reality with funding from Electronic Payments and our leading finance partner, YouLend! You'll receive fast, flexible, affordable capital based on your business's non-cash revenues.

WHAT IS REVENUE-BASED FINANCING?

Revenue-based financing provides funding alternatives to businesses with no restrictions as to how they use the financing and flexibility to repay as they earn.

FLEXIBLE FINANCING

- Funding from \$3,000 to \$300,000
- No fixed repayments

FAST FUNDING

- Receive a decision offer within 24 hours of applying
- Once approved, you'll receive funds within two business days

PRICE CERTAINTY

- Pay a fixed percentage of your daily sales, repaid from credit card revenues
- Funding isn't subject to interest
- No hidden fees, additional charges, or upfront costs

SUCCESSFUL FUNDING SCENARIO

Challenge:

A restaurant processes payments through Electronic Payments. They require funding to refurbish their outside seating area ahead of the summer season.

Solution:

The merchant receives \$20,000 in funding through Electronic Payments Capital. The merchant uses it to refurbish their outside patio. 10% of their daily sales are automatically deducted from their credit card revenues to repay the funding.

Result:

The merchant was able to act quickly and repay their entire cash advance in terms that worked best for their business. The restaurant returned for further financing options to refurbish their kitchen and secured an additional \$15,000.
