POS FOR BARS & LOUNGES

INCREASE YOUR BAR'S PROFITS
WITH A FULL-FEATURED POS

Exatouch® Point of Sale was built to help you reach new customers, improve service standards, and make managing bars simpler and less costly. All the essentials to streamline operations are built in, like an easy-to-use register, support for dual pricing, bar tab authorization, and the ability to accept all payment types quickly and securely—including contactless transactions!

FREE POS TRAINING AND 24/7 SUPPORT

FREE INSTALLATION AND MENU BUILD

FREE GIFT CARD PROCESSING

EXATOUCH®

GET EVERYTHING YOU NEED TO RUN YOUR BAR AND INCREASE PROFITS IN ONE POWERFUL SOLUTION.

BAR TABS & TAB AUTH

No more holding credit cards at the bar! In just a few clicks, staff can open a tab, hand the card back to the customer, and make tip adjustments on EMV transactions.

CUSTOM MODIFIERS & DRINK MENUS

Update your daily, weekly, or seasonal beer/wine selections with ease, and save them for future use! Plus, streamlined modifiers ensure customized drink orders are fast and accurate.

PROMOTIONS

Keep customers coming back! It's easy to create custom rewards, implement a loyalty program, and build out promotions based on how well menu items sell.

INVENTORY CONTROL

Track your beverage/spirits inventory more precisely and quickly reorder so you never run low on customer favorites. You can even measure the exact amount of liquor served!

AGE VERIFICATION

Exatouch simplifies age verification with ID scanning or quick birthdate entry, triggered for age-restricted items or at staff discretion.

REPORTING

Robust reporting features enable you to identify sales trends, track profit margins, and make data-driven purchasing decisions.

EMPLOYEE MANAGEMENT

Create work schedules, reconcile payroll, monitor performance, and detect fraud. Plus, set access controls and permission settings to streamline onboarding.

OFFLINE PROCESSING

Stay open for business if your internet goes down! With offline processing, you can continue accepting payments even if you lose connectivity.

Plus, our in-house Technical Support team is available 24/7, so if you're closing at 2AM on the weekend and need assistance, help is just one phone call away!
